

## Inter-University PhD in Educational Studies Final Doctoral Plan of Study Form

Doctoral Student's Name \_\_\_\_\_

Year of Entry \_\_\_\_\_

Supervisor \_\_\_\_\_

Home Institution \_\_\_\_\_

### PhD in Educational Studies Doctoral Program Requirements:

- 9001/8013 *Foundations of Educational Inquiry* - first summer, face-to-face, rotating sites, 0.5 units/3 credit hours
- 9002/8023 *Methodological Perspectives on Educational Research* - first summer, face-to-face, rotating sites, 0.5 units/3 credit hours
- 9003/8033 *Doctoral Seminar: Contemporary Educational Theory* - 0.5 units/3 credit hours over first Fall and Winter semesters, via e-learning platform
- 9004/8043 *Focused Educational Studies* - first Fall, via e-learning platform, 0.5 units/3 credit hours
- 9005/8053 *Advanced Research Seminar: Focus on Methods* - first Winter, via e-learning platform, 0.5 units/3 credit hours
- 9006/8063/9007/8073 *Special Topics* first fall and first winter, perhaps second summer, as required/elected, via e-learning platform
- 9008/8083/9009/8093 *Independent Study* - first fall and first winter, perhaps second summer, as required/elected, likely face-to-face
- 9010/8109 *Comprehensive Portfolio* - 1.5 units/9 credit hours started first summer and normally completed second summer (over 14 months, full-time), in consultation with Supervisor and Committee, face-to-face
- 9100/8990 *Dissertation (includes Proposal 899Z)* Normally, the second summer through to the third summer (12 months) is dedicated to preparing and defending the Proposal, face-to-face; then, within an additional three- to four-year time frame (extensions possible), students complete and defend their dissertation, face-to-face; 3 units/18 credit hours

Doctoral students accepted into the program received an *Initial Plan of Study Form* with their Letter of Intent. Normally, all doctoral students complete the doctoral program of study in tandem. This form is used to identify additional courses deemed necessary by the Supervisor after consultation with the doctoral student and likely Committee members. Special Topics and Independent Studies that are required by the Inter-University Doctoral Administrative Committee (IDAC) in order to complete the degree are noted below, along with the intended semester in which they are to be completed.

|        | Summer   | Fall  | Winter   |
